

Wieliczka Salt Mine's code of conduct for visitors

based on

Terms and conditions of the Wieliczka Salt Mine

1. The area of the Wieliczka Salt Mine and all the facilities located therein form an integral, legally protected whole. It shall be prohibited to move, carry away or damage any objects or elements of decoration located on the premises of the Wieliczka Salt Mine.
2. Tourists are only allowed in the areas made accessible by the Mine and under the conditions specified in these Regulations.
3. It is forbidden to bring any weapons and ammunition, pyrotechnics, explosives, flammable, toxic materials, alcohol and other intoxicants, as well as any objects and means that may endanger the life, health or safety of persons or property into the Mine, except in cases where the applicable legislation allows the bringing in of the aforementioned objects or materials.
4. Persons entering the premises of the Wieliczka Salt Mine and their luggage, in the event of justified suspicion of possessing items or materials indicated above, may be subjected to inspection, including being asked to show the contents of the luggage and any items brought in, as well as being checked using electronic equipment for the detection of materials and hazardous items. Persons who refuse to submit to inspections or who obstruct the inspections will not be allowed to enter the pits of the Mine.
5. On the premises of the Wieliczka Salt Mine it is forbidden to leave luggage or other objects unattended. The items left unattended, in particular travel bags, backpacks may be recognised as items posing a potential hazard which is going to result in calling the Police. The items which are not recognised as items posing a potential hazard shall be deemed abandoned.
6. Alcohol consumption is prohibited in underground workings.
7. The use of open flames, including smoking, and the use of electronic cigarettes is strictly prohibited in the mine workings.
8. The Mine is a place where you can quiet down for a while and cut yourself off from the world because telecommunication signals will not reach you here. However, there's a place for our guests where they can use free WiFi, as well as make calls.
9. During the tour, taking photos and filming is allowed.
10. Littering is not allowed. Take your rubbish with you or dispose of it in the bins along the route.
